AMENDMENT AND RESPONSE

Commissioner For Patents
Washington, DC 20231

Dear Sir:

16/B
Linda
1/14/03

In response to the Office Action mailed June 26, 2002, the following amendments and remarks are submitted.

In the Claims

Please cancel claims 22 and 23 without prejudice.

Please amend claim 20 as follows:

20. (Amended) A monoclonal antibody which forms an immunological complex with a phosphorylated epitope present in a human abnormally phosphorylated tau protein, wherein said tau protein is obtained from a brain homogenate, isolated from the cerebral cortex of a patient having Alzheimer's disease or having died of Alzheimer's disease; further wherein:

- A. said abnormally phosphorylated tau proteins
- i. present an apparent molecular weight which is higher than that of normal tau proteins, obtained from brain homogenates isolated from a patient having died of nonneurological disorders; and
